The Shively Police Department Mission Statement

It is the mission of the Shively Police Department to provide safe and efficient service to the citizens of this community in a dedicated and professional manner.

STATEMENT OF VALUES

The values of the Shively Police reflect those qualities that we strive and dedicate our service to uphold.

TEAMWORK

We believe that effective policing is accomplished by police/community teamwork to identify problems and work together to reduce crime and the fear of it.

RESPONSIBILITY

We have a responsibility to honor a commitment to involve the citizens in all policing activities that impact their lives.

UNDERSTANDING

We shall enforce all laws and ordinances, affording respect and understanding to all persons, while safeguarding individual's rights that are guaranteed by the Constitution of the United States.

SERVICE

We hold ourselves to maintain the highest degree of service, to obey all laws and ordinances and to serve as role models to our fellow officers and community.

TRADITION

We must constantly strive to maintain dignity and integrity, while establishing a tradition for the future members of the Shively Police Department to live by.
