Section 700.20 Funeral Details

The Shively Police Department shall, at the funeral of any officer or retired officer, provide a detail selected by the Chief of Police. Pallbearers will be supplied if requested by the family of the deceased. When pallbearers are provided, they should, whenever possible, be of equal rank as the deceased.

Pallbearers, as well as the detail itself, should be exact in uniform appearance and should wear White gloves.

In the event of an officer being killed in the line of duty, a black band, as approved by the Chief of Police, should be worn over the badge displayed.

A funeral detail may represent the Shively Police Department for any working law enforcement official within Kentucky killed in the line of duty.

A funeral detail, designated by the Chief of Police, may represent the Shively Police Department at the funeral of officers killed in the line of duty in adjacent states.
